

noether::ToolPathPlanner

```
classDiagram
    noether::EdgePlanner --|> noether::ToolPathPlanner
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'noether::EdgePlanner'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'noether::ToolPathPlanner'. This arrow represents an inheritance relationship, indicating that 'noether::ToolPathPlanner' is a specialization of 'noether::EdgePlanner'.
