

noether::ToolPathPlanner

```
classDiagram
    noether::RasterPlanner --|> noether::ToolPathPlanner
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'noether::RasterPlanner'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'noether::ToolPathPlanner'. This indicates that 'noether::RasterPlanner' inherits from 'noether::ToolPathPlanner'.
