

noether::ToolPathPlanner

```
classDiagram
    class noether_RasterPlanner["noether::RasterPlanner"]
    class noether_ToolPathPlanner["noether::ToolPathPlanner"]
    noether_RasterPlanner --|> noether_ToolPathPlanner
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'noether::RasterPlanner'. A blue arrow points vertically upwards from this box to a white box labeled 'noether::ToolPathPlanner' at the top. This indicates that 'noether::RasterPlanner' inherits from 'noether::ToolPathPlanner'.
